### STUDENT REFLECTION QUESTIONS:

In the video Travis indicates that he feels like he can make an excellent living at a young age by going into automotive service. What clues from the video support this?

Travis believes that going to a four-year college is not the best choice for him. Do you think a four-year college is the best choice for you? Why or why not?

List the resources that are available to help you make the best decision for what you should do when you finish high school.

If you are considering something other than a four-year college, what are the local choices that are available to you? Will financial aid be required? What other types of support would you need?
